

COOKIE POLICY

related to the web site www.teyuto.com

Dear User,

this Cookie Policy refers to the use of cookies by the site www.teyuto.com (hereinafter the "Site") owned by The Teyuto S.r.l. (hereinafter "Teyuto") and forms an integral part of our Privacy Policy.

When you visit the Site, it may store or retrieve information through your browser, mainly in the form of cookies.

To ensure maximum transparency in the use of cookies, we inform you that:

- the ownership of some cookies is directly owned by Teyuto (first-party cookies), while for others it belongs to third-party domains (third-party cookies);
- some cookies are deleted when the browser closes, while others (persistent cookies) have longer deadlines, from a few minutes to full months, depending on the functions they perform.

By using our Site, you consent to the use of cookies in accordance with this Cookie Policy. You can choose not to allow certain types of cookies by selecting "Cookie Settings" on the banner that appears on the first access to the Site and change the default settings of the different categories. However, blocking certain types of cookies may affect your experience of the Site and the services we are able to offer.

What are cookies?

Cookies are technical elements consisting of small text strings and used by web applications within communications in the HTTP and HTTPS protocols: they are very useful since they facilitate the connection between the client (user's device) and the server (website visited by the user)

We use cookies to recognize your preferences or your device and to make the Site work as you expect. They have different purposes such as, for example, allowing the user to navigate efficiently between pages, remembering his items saved in the cart and, in general, improving the browsing experience. They also help ensure that advertising content displayed online is more targeted at a user and their interests.

Depending on the function and use, cookies can be splitted into: technical, functional, analysis and marketing and profiling cookies.

Technical Cookies	Description	Retention
<i>li_gc</i>		6 months
<i>bscookie</i>	Technical cookie, first party cookie (Teyuto via LinkedIn.com) and http protocol cookie, used on the Site to verify the cookies option chosen by the User	12 months
<i>lidc</i>		1 day
<i>wg-slugs</i>	Technical cookie, first party cookie (Teyuto via cdn.weglot.com) and html cookie, used on the Site to manage the language options chosen by the User	Persistent
<i>illow-consent</i>	Technical cookie, first party cookie (Teyuto via Illow.io) and http protocol cookie, used on the Site to verify the cookies option chosen by the User	Sessione

Technical cookies are constantly enabled and are necessary to perform the basic features of the Site. These cookies allow you to recognize the User who uses the Site during a single session or, if requested, also in subsequent sessions. These cookies determine whether the visitor has accepted the cookie consent box, resolve security issues and ensure compliance with current regulations.

As they are essential to the proper functioning of the Site, technical cookies cannot be disabled through the functions of the banner. You can set your browser to block or have alerts about these cookies, but as a result some parts of the Site will not work.

Analytical Cookies	Description	Retention
_ga	Analytical cookies, first party cookie (Teyuto via Google Analytics 4) and http protocol cookie, used on the Site to collect statistical data related to the Users	2 years
ga#		Session
_gat		1 day
_gid		1 day

collect	Analytical Pixel, third Party (Google Analytics 4) and http protocol pixel, used on the Site to collect statistical data related to the Users	Session
_vh_gid	Analytical cookies, first party cookie (Teyuto via visithunter.io) and http protocol cookie, used on the Site to collect statistical data related to the Users	Sessione
_vh_ref_		Persistente
_vh_sid		1 giorno
_vh_sid_pn		Sessione
_vh_srh_		Persistente

Analytical cookies are cookies that allow you to count visits and traffic sources for the processing of reports and statistics on how users navigate the Site. These cookies, for example, show the pages of the website most visited by users, allow you to verify which are the recurring models of use of a website, help to understand all the difficulties encountered in using the website and to show the effectiveness of the advertising implemented on the Site.

To allow us to use analytical cookies you can give your consent through the entrance banner on your first access to the Site. All information collected by cookies is aggregated and therefore anonymous.

Marketing cookie	Description	Retention
_fbp	Marketing cookie, first party cookie (Teyuto) and http protocol cookie, used on the Site for advertising activities	Session
ads/ga-audiences	Marketing Pixel, third Party (Google Tag Manager) and http Pixel, used on the Site for advertising activities	Session
pagead/landing		Session
bcookie	Marketing cookies, third Party (LinkedIn.com) and http protocol cookies, used on the Site for advertising activities	1 year

li_sugr	3 months
UserMatchHistory	30 days

Marketing and profiling cookies can be set through our site by our advertising partners. They can be used by these companies to create user-related profiles in order to send commercial messages that meet the preferences expressed during the visit. These cookies also allow you to offer our commercial proposal on other websites, this information is totally controlled by third-party companies as described in their respective privacy policies.

To allow us to use marketing and profiling cookies you can give your consent through the entrance banner on your first access to the Site. If you do not allow these cookies to be used, you will receive less targeted advertising.

Cookies can be deleted following the instructions below.

How can I delete cookies from my browser?	You can manage cookies through your browser settings. Below are the ways offered by major browsers to delete them: • In Internet Explorer, select the Tools button, choose Security, and then select Delete Browsing History. Select the cookies and website data check box, and then select Delete. • In Chrome on your computer at the top right, click More, and then click Settings. In the "Privacy and Security" section, click Cookies and other site data. Click Show all cookies and site data, and then remove all. Confirm by clicking Clear All. • In Firefox, click the Menu button, and then click Library. Click History, and then click Clear recent history. From the Time interval to clear drop-down menu: Select all. Select Cookies and make sure that the other items you want to keep are not selected. Click OK to delete cookies, and then close the Clear All History window. • In Safari, click Safari, from the menu bar at the top, and select Preferences. In the Preferences window, click the Privacy tab, and select Manage Website Data. Then click Remove All.
---	--

For more information about cookies and to manage your preferences on third-party profiling cookies, we invite you to check the privacy policy related to the Teyuto suppliers (LinkedIn [privacy policy](#) e [cookie policy](#); Google Analytics [privacy notice](#)), and visit the website <http://www.youronlinechoices.com>. Once on the site, by accessing the "Your choices" area, you can check the presence and status of the installed third-party cookies and manage their consent.

This Cookie Policy may be subject to changes and/or additions over time, also as a result of changes in applicable legislation. You can view the text of the Privacy Policy constantly updated at the internet address of the Site in the Cookie Policy section or make an explicit request by contacting the Data Controller or the DPO directly (support@teyuto.com and/or dpo@teyuto.com).
